Work Done / Next steps

SEO (Work Done)

- Worked on analyzing and tracking weekly SEO performance on GA4 and GSC.
- Worked on optimizing on page optimization drafts for 3 pages.
- Researched keywords and drafted 2 blogs.
- Worked on backlink research and submission (2 directories, 2 blog sharing, 2 classifieds and 2 social media bookmarking/ image submission websites).
- Worked on a reddit community building strategy.

Google Ads (Work Done)

- Keyword Optimization & Audit:** Conducted a comprehensive search term audit to identify irrelevant traffic, adding these terms to the negative keyword list to improve targeting precision.
- Routine Maintenance (General):** Performed daily account monitoring to ensure stable delivery, adjusted manual bids to maintain competitive ad rank, and reviewed Quality Score metrics to improve long-term cost efficiency.
- Ad Copy Review:** Monitored ad fatigue and performance metrics to ensure messaging remains relevant and engaging.
- Budget Optimization:** Analyzed campaign efficiency and reallocated budget towards top-performing campaigns to maximize return on ad spend.

SEO (Next Steps)

- Work on analyzing and tracking weekly SEO performance on GA4 and GSC.
- Analyze and research 2 to 3 pages with declining performance for optimization.
- Research and publish 2 blogs.
- Research and submit 8 to 10 backlinks.

ADS (Next Steps):

- Search Campaign Refinement:** further optimize the existing Google Search campaigns by leveraging historical performance data to improve click-through and conversion rates.
- Audit of PMax assets and exclusions to stop wasted spend on low-quality impressions.
